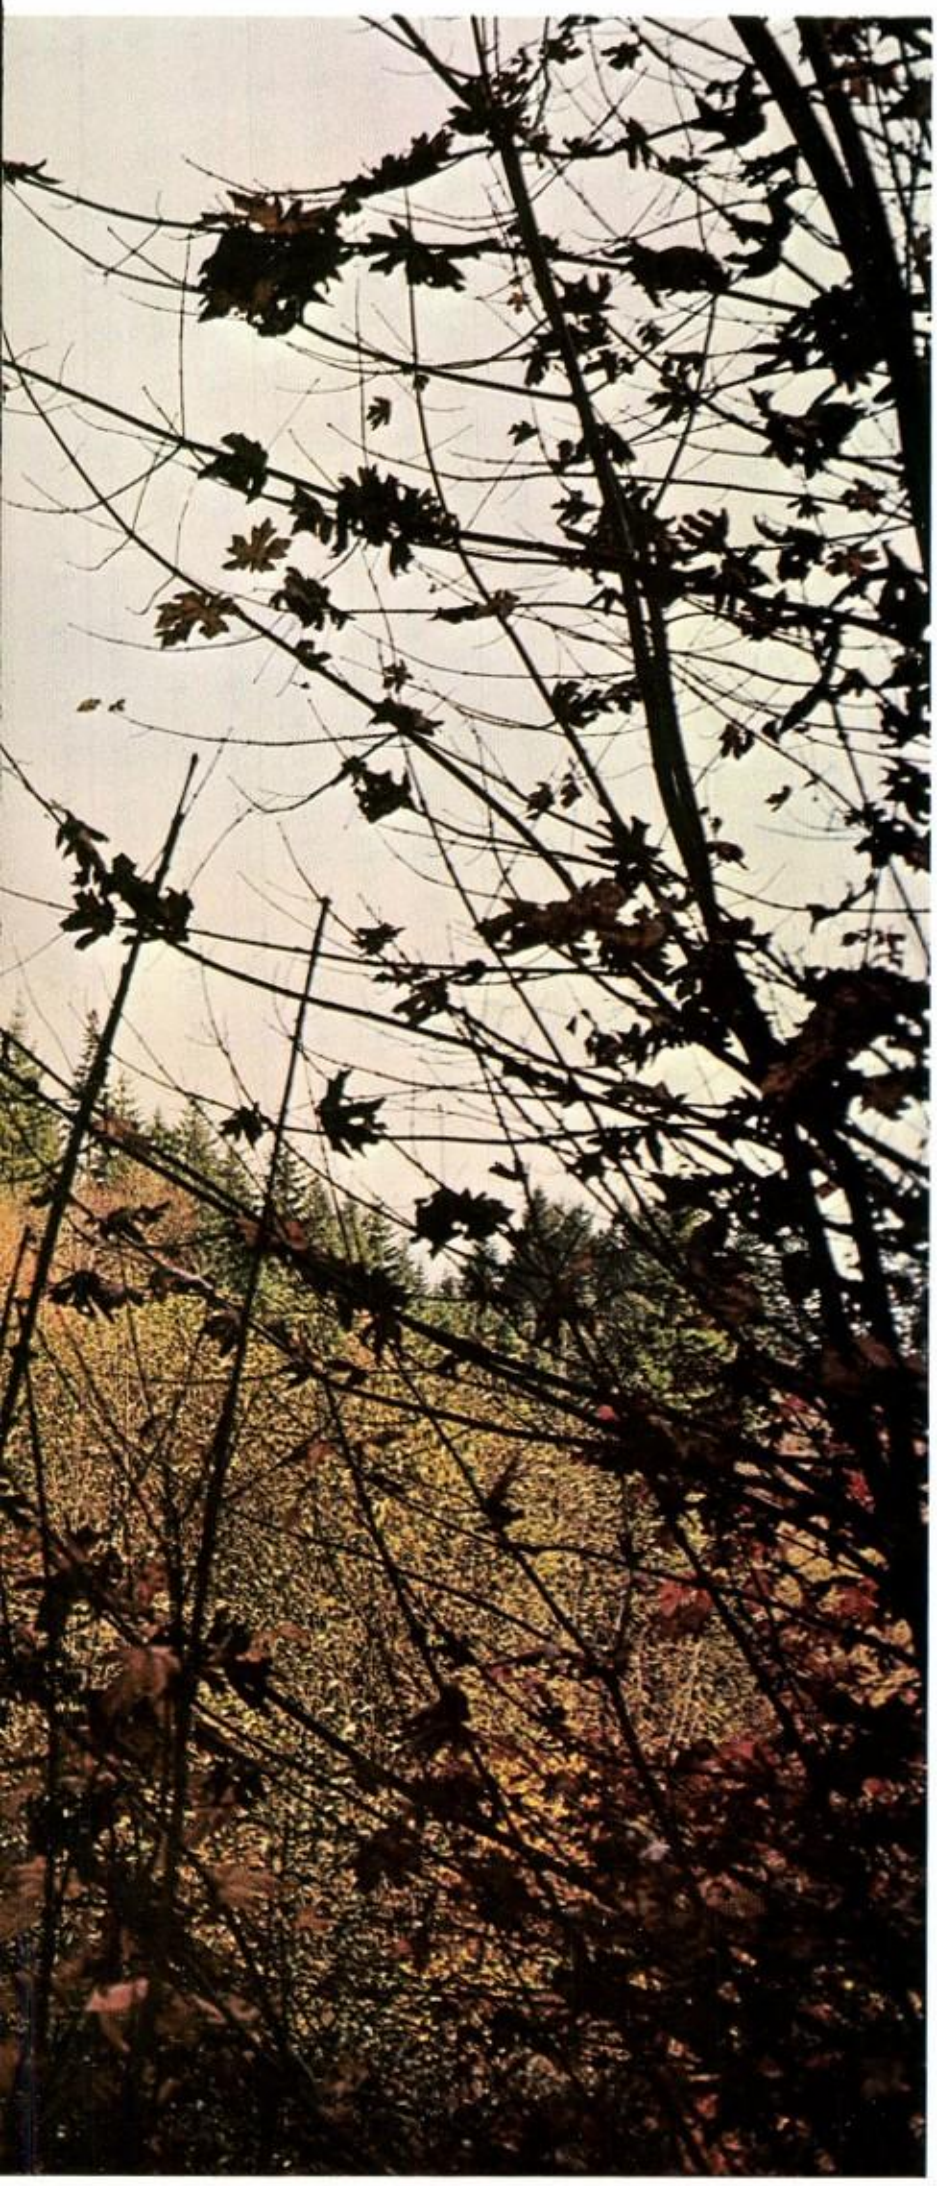
. . . A Time To Remember



Foreword

The Staff realizes that each of you has experienced throughout this year friendships—friendships which in some cases will last a lifetime.

These friendships may be forgotten momentarily; but by your glancing through this annual, these friendships, the joyful events, and the sorrows too, will be relived.

If this, the 1967 Silvertonia, brings a joy to your heart as you glance over these pages in the future years, we, the Staff of nineteen hundred and sixty-seven, will be pleased and gratified that all our efforts were not in vain.

A TIME TO REMEMBER.

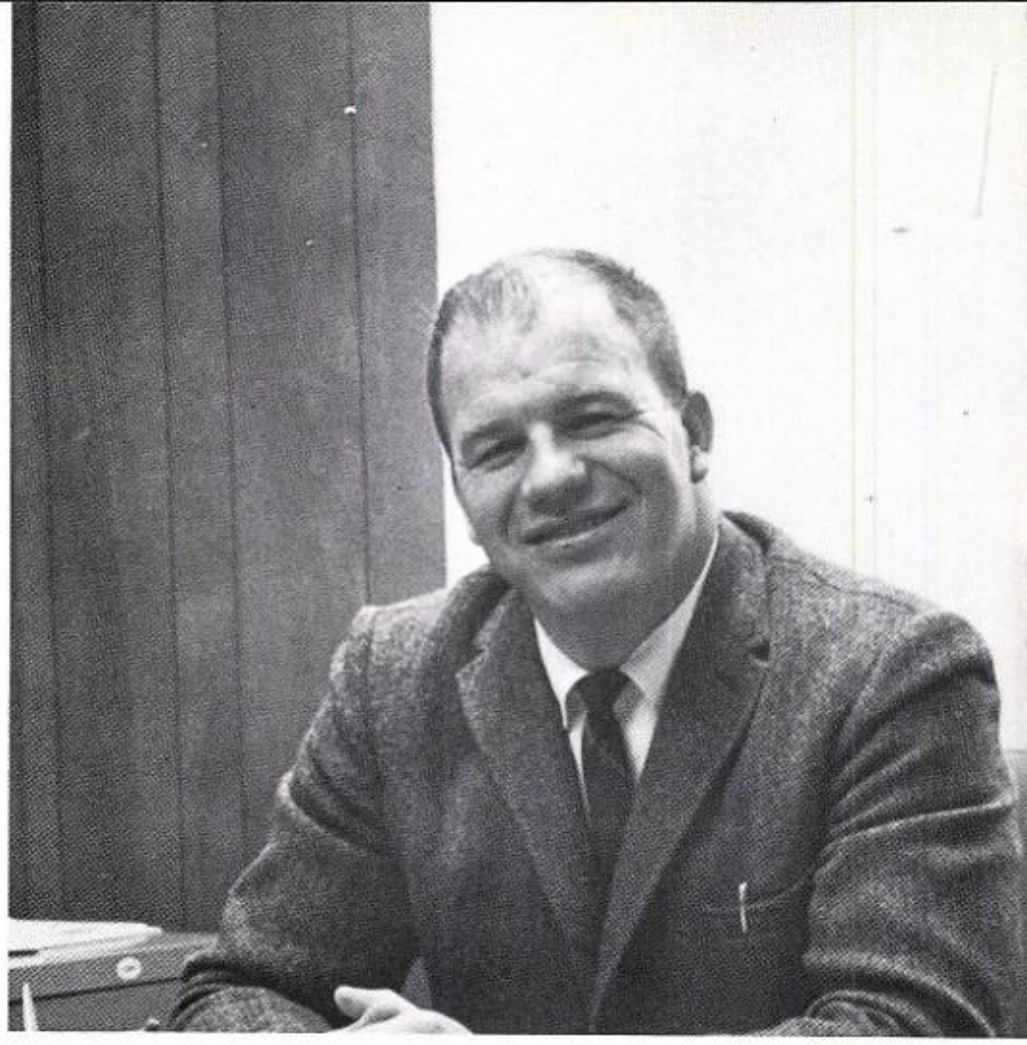
FACULTY AND ADMIN.

Mr. Gene Allison
Superintendent

What memories will you have when you glance upon your years as a student in S.U.H.S.? Probably most of us will recall our many friends and the many happy experiences shared with them. And also, we will recall the many activities, athletics, dances, musical events, student body campaigns and elections, plays, and many other fun times.

Some will recall the hours and hours of study and be thankful for the motivation that caused them to take advantage of every learning opportunity. Some will recall that they took the easy way through school —picking courses that didn't require too much work and they doing just enough to get by. Then, there will be some that will recall that they just couldn't get interested in school.

Whatever memories you will have of your high school years, please remember that the staff stands ready to be of assistance to you—whether it be next year or many years from now. Congratulations on your past accomplishments and the best of luck with your future endeavors.



Mr. John Thompson
Principal

To the class of 1967, I wish every success as you attack the many challenges in our increasingly complex society. May the memories you recall in browsing through these pages in years to come be fond ones.

To the classes of 1968, '69, '70, I encourage even greater effort at S.U.H.S. I join the faculty in pledging every possible assistance to you as you pursue your academic goals.

VARSITY BASKETBALL

Silverton's Varsity Basketball squad finished off the season with a 4-14 record. The squad featured a balanced scoring attack, led by Gary McBride and Doug Jorgenson and Steve Ebner, a tough defense, led by Arland Anderson, Roger Gehring, and lots of determined hustle.

The Foxes got some good reserve help from Ben Cardiff, Rick Jones, Norm Brenden, Dave Hohenshelt, Don Henjum, Jerry Paige and Tom Baker.

Next season, the team will boast eight returning lettermen, as well as several upcoming Junior Varsity.

Junior Varsity Basketball

The Junior Varsity Basketball team displayed grim determination and excellent team work as they scored 18 wins and 4 losses during the season. The starting five carried most of the load throughout the season, but without the bench strength supporting them, such victories would have been difficult.

The Wilco League Wrestling Championships Tournament was held here again in 1967, making the third consecutive year that we have hosted the tournament. Despite the best efforts of our excellent team, we took second place in total points to Canby's first. Silverton team members placed ten times in eight weight classes: Greg Zurbrugg and Jim Roth took firsts in 98 and 136, respectively; there were two seconds, taken by Marlin Scharer and Bob Christensen; also three thirds—Jason Schar, Jerry Bankston, and Doug Von Flue—and three fourths—Dan Roth, Dave Alrick, and Larry Mattison—were placed.

Albert

The 1966-67 A.F.S. Foreign Student was Albert Paez from La Rioja, Argentina. As a member of the S.U.H.S. student body, he was active in all phases of school life. Albert was a member of the football and track teams, served on Student Council, and graduated as a member of the Class of 1967.

Albert will always be remembered for his friendly personality and wholehearted enthusiasm about everything he did. He has given us many things to remember and even more to think about. Through him, many of us learned to appreciate our country even more.

IN MEMORY OF

Lonore L. Jones

Drop thy still dews of quietness,
'til all our striving cease;
Take from our souls the strain and stress,
And let our ordered lives confess
The beauty of thy peace.
